PROFILE

A driven storyteller with high ambitions, skilled in both leadership and teamwork. He balances a keen eye for detail and with a vision. Self-motivated and collaborative, he values the synergy of shared effort. Having a versatile set of skills in filmmaking, he approaches the process holistically. He is currently working in both the narrative and commercial side of the industry. He believes that everyone has a great idea but it's all about the execution that matters. Being articulate itself is an art.
